Dear All,

Re: Basic difference in the coverage of IBA Scheme of Serving Employees and Retiree's Policy.

This refers to the various queries received from the TPAs on the above captioned subject.

We are in process of issuing policy numbers for the retirees. As far as the coverage are concern following **covers are not available** in the retirees mediclaim policy. While settling the claims of retirees please take note of it.

1. Maternity Expenses.
2. Critical Illness Cover.
3. Domicialaries Expenses.
4. Corporate Buffer
5. Dependents are not covered (Only employee + Spouse).

Do revert back for any clarifications if required.

Regards,

S.PRAKASH
