

Bancassurance

With the commitment to customers' convenience, the Bank has tied up with insurance companies so that customers can avail of insurance service at the branches.

We are the corporate agent of the Life Insurance Corporation of India for distribution of their life insurance products.

In non-life sector, our Bank is the corporate agent of United Insurance company for the distribution of their non life insurance products.

Both our insurance partners offer a wide range of insurance products, which are available at our branches as a result of our Bancassurance tie ups.

This is another value addition for our customers in their banking relationship with us.
